

# Shrikant Shinde

Senior Process Engineering Manager

thyssenkrupp nucera USA Inc.

Shrikant Shinde is a Senior Process Engineering Manager at the USA entity of thyssenkrupp nucera in Houston.

Shrikant holds a degree in Chemical Engineering from the University of Mumbai in India. He has over 18 years of experience with thyssenkrupp as a Process Engineer in chlor-alkali and green hydrogen (AWE) technologies and officially joined thyssenkrupp nucera in 2023.

With expertise in chlor-alkali and AWE technology, Shrikant excels in every stage of plant development, from conceptualization to commissioning. Over the past 18 years, he has played a pivotal role in designing numerous chlor-alkali plants in India, Germany, Saudi Arabia, and Jordan. Currently, he is involved in the execution of AWE green hydrogen plants in the USA.
